PHILLIP DAVIS - NON LEGAL PRACTITIONER DIRECTOR

Phillip is a highly experienced and knowledgeable finance broker who is in the business of obtaining a wide range of finance.

His particular skills lie in assisting people who, for one reason or another, are having trouble with their regular finance provider, and those who for other reasons cannot obtain finance.

Negotiating with lenders who are in the process of mortgagee in possession action is another area in which he works for clients in serious trouble. Philip's knowledge and experience makes him fully aware of the reality that it is just as important to gain the cooperation and trust of the outgoing mortgagee or its solicitors as it is to seek a new fund provider.

Philip is able to bring expertise and experience to the table in construction and development finance, and assisting clients in the planning stage in order not to overstretch themselves and end up in difficulty or even financial disaster.

Philip has completed all the statutory requirements in order to provide financial broking services. He is registered with ASIC and holds professional indemnity insurance.

Philip provides a comprehensive service that addresses the major problems sometimes faced when seeking finance, refinance and any other associated problems. He is also able to assist when there are no overt problems and is able to seek better terms for his clients in such cases.
